

### Groove Inc. Masterclass Series

**Description:** In 4 week cycles, students are able to pick 2-3 solos to perform on each of the various instruments. Solos are based on beginning, intermediate, and advanced levels. These solos can be used for All-State preparation. Students will also learn WHAT and HOW to practice.

**Masterclass Format:** Week 1 introduction (via Zoom) to determine what solos to play, and how to approach the learning process. Set practice goals. Solos are emailed in PDF form, and printed at home.

Week 2 in-person “group lesson” to listen for correct notes and rhythms, style, and musicality.

Week 3 in-person “dress rehearsal” to practice as a soloist. Learn about performance pressure, staying cool, calm, and collected, and making great musical choices.

Week 4 Recital Night. This is a chance to perform and showcase your progress!

Perform the solos from the masterclass session, plus other works for that instrument.
